

Medicine Wheel Memory Game - All Cards

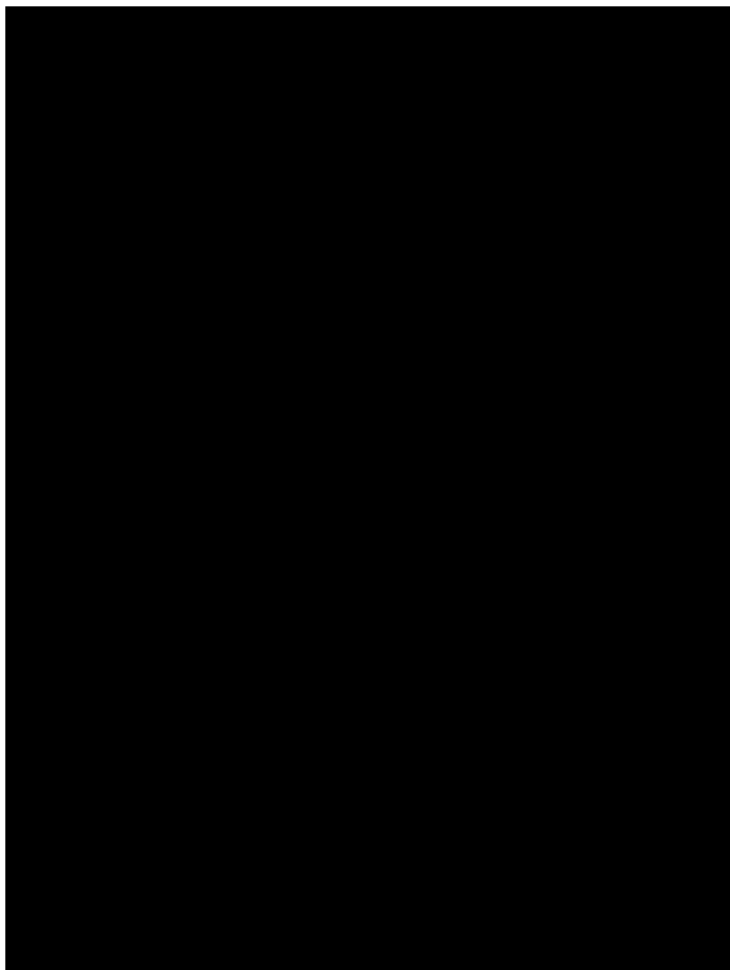

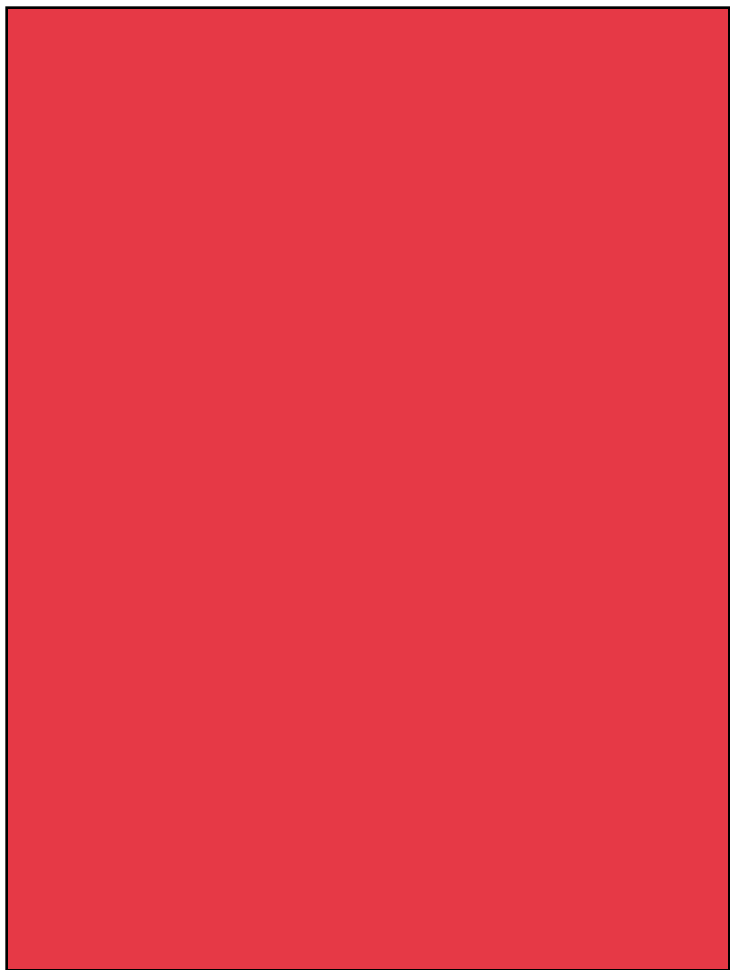

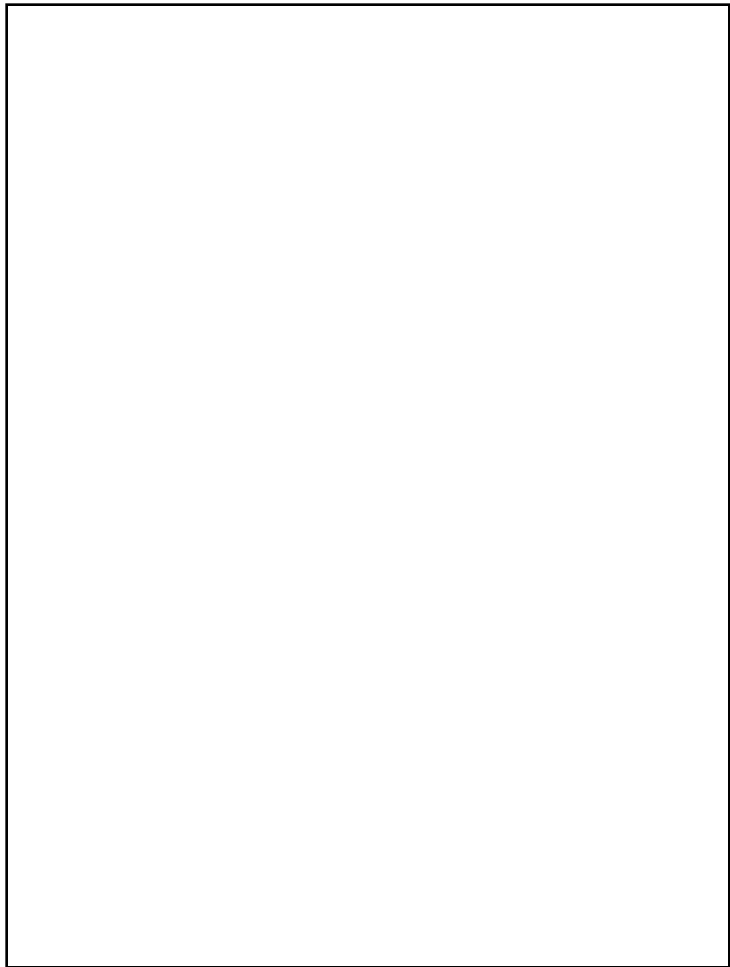

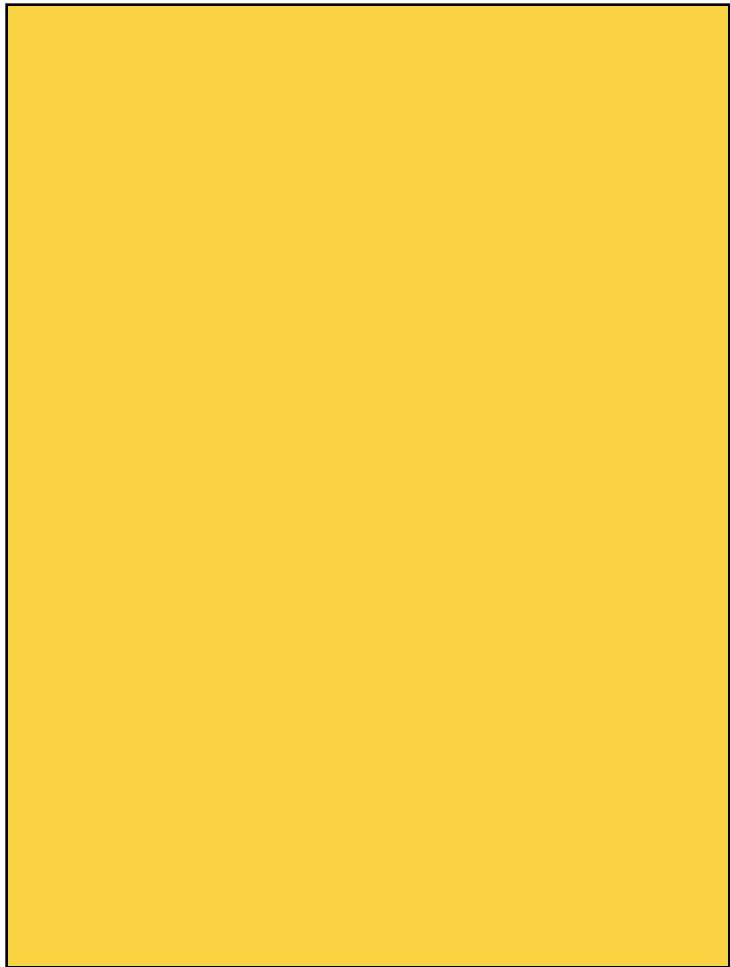

This full set includes 24 cards to support early learning through the Medicine Wheel teachings.

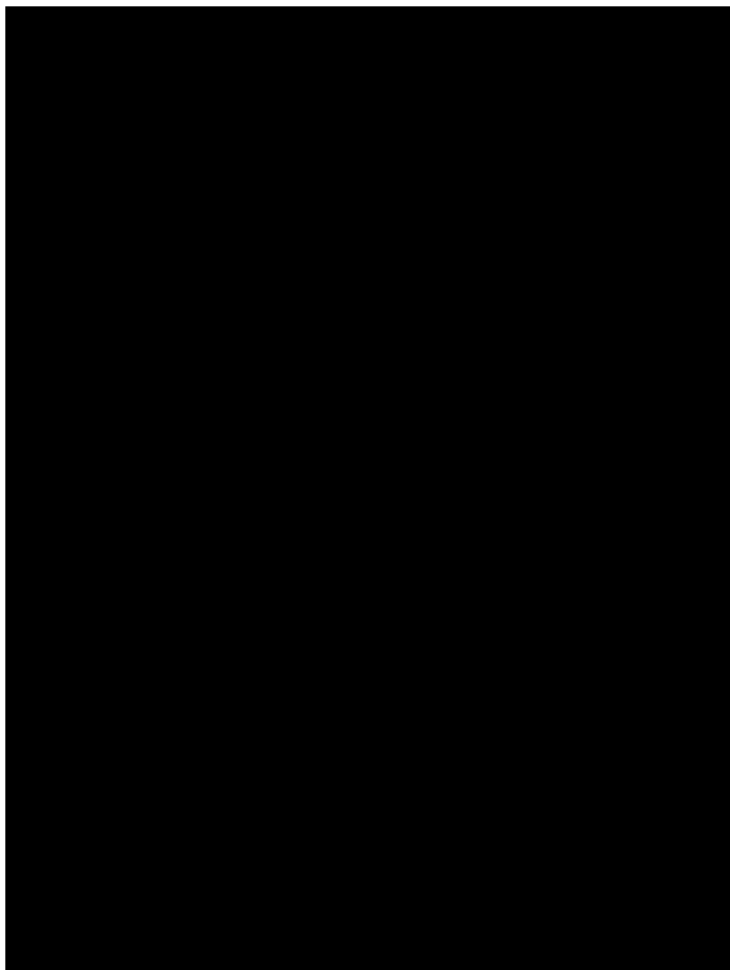

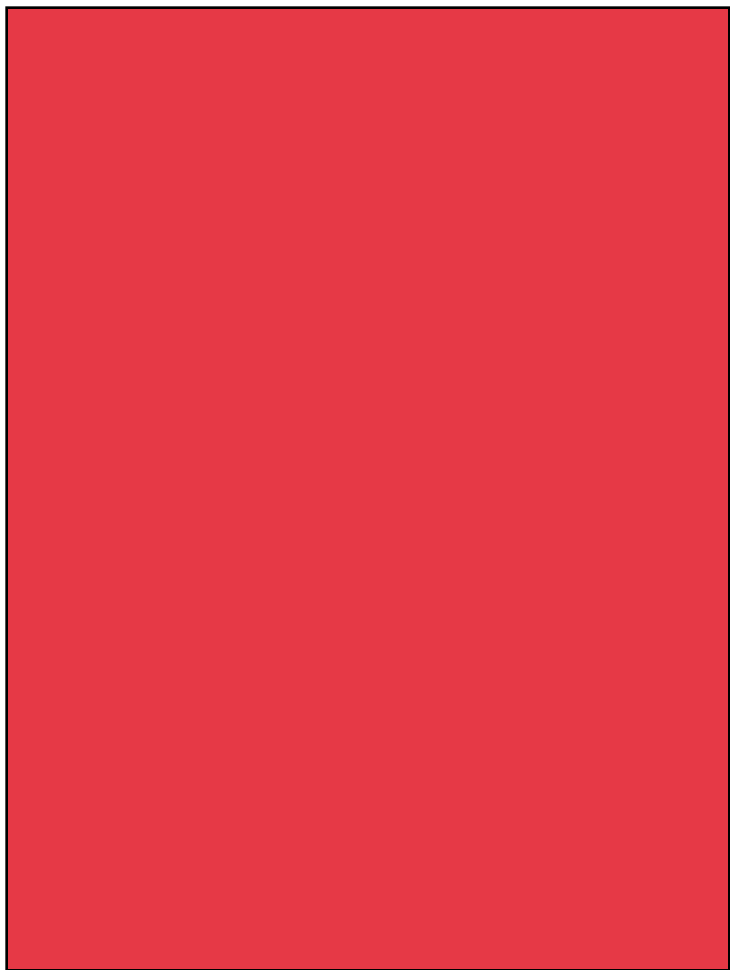

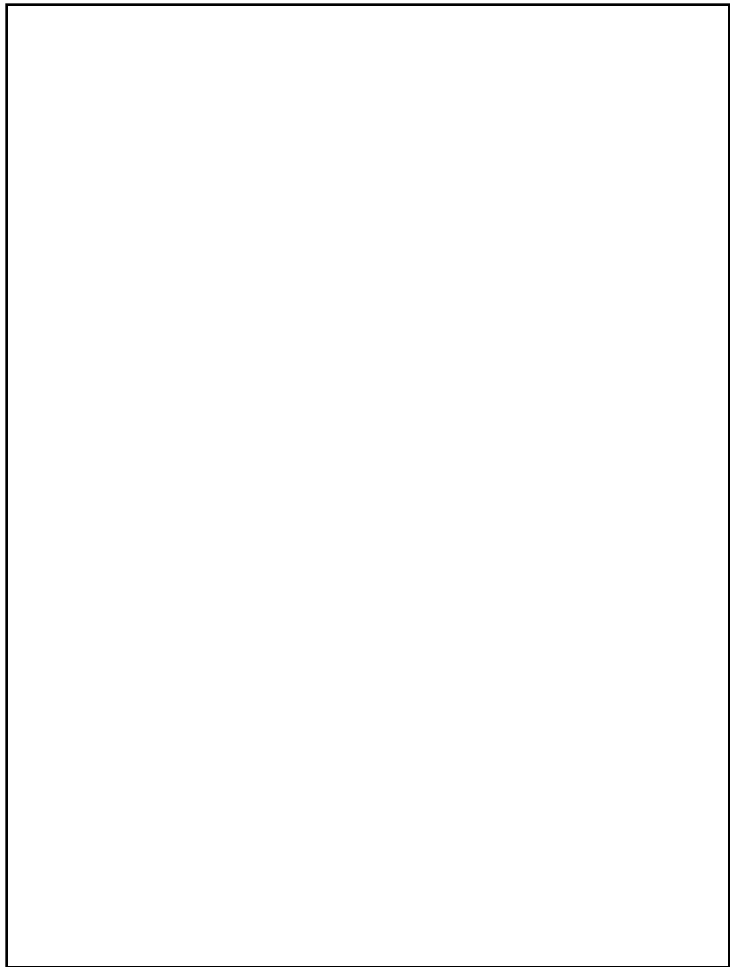

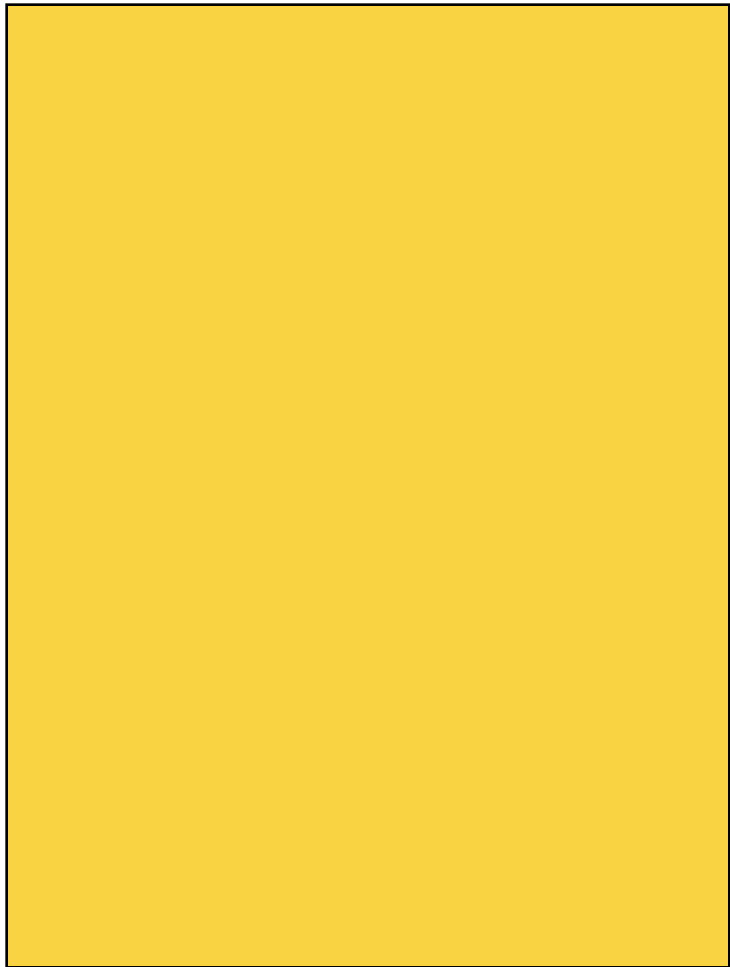

- **8 Color Cards:** 2 of each — solid Yellow, White, Red, and Black (no words)
- **8 Direction Cards:** 2 of each — North, South, East, and West (text only)
- **8 Season Cards:** 2 of each — Spring, Summer, Fall, and Winter (text and icons)

How to Play:

1. Print and cut out all the cards. Mix them up and lay them face down in rows.
2. Players take turns flipping over two cards at a time, trying to find a matching pair.
3. A match means both cards show the same color, word, or season symbol.
4. If the cards match, the player keeps the pair and goes again. If not, flip them back and let the next player try.
5. Continue until all pairs are found. The player with the most matches wins!

Younger learners can play with fewer cards or focus on one category (colors, directions, or seasons).
