

Reusable Prompt for a Descriptive Medicine Wheel Poster (Elements Style)

Please create a vertical educational poster (in the style of the Air/Elements poster), 768x1152 pixels, with the following features:

- Beige background with simple plant decorations and a clean, earthy look.
- Bold title at the top for the element or theme (e.g., AIR, FIRE, WATER).
- Circular Medicine Wheel graphic in the center:
- Divided into four colored sections (White, Yellow, Red, Black).
- Each quadrant labeled with the appropriate category (e.g., Air, Earth, Fire, Water).
- Direction (N, S, E, W) indicated clearly in the center or top of the wheel.
- Small icon or graphic to represent the element inside the wheel.
- Below the wheel, include a paragraph of descriptive text explaining the element or concept in a clear, age-appropriate tone (around Gr. 3-6 reading level).
- PNG format for web use, and also provide a PDF version for print.

Example layout: [Top: "AIR"] > [Middle: Medicine Wheel] > [Bottom: Descriptive paragraph]
